### **Tour Overview**

The Donosti Cup is an Umbro worldwide tournament located on the beautiful eastern coast of Spain close to the French border. The town is ideal in the fact that it is a beautiful ocean resort that offers plenty of activities between games at the tournament. The tournament has fantastic facilities and offers an excellent women's program. The tour would be excellent with much more time spent around the tournament and in the beach areas of San Sebastian.

The two day excursion into France at the end of the tour will provide a welcome rest from all the football activities.
